Professor was very understanding and took the time to explain things to us	1	16.67%
The course was laid out in a manner which made it understandable and extremely applicable to real life. He is one of the best professors I have ever had at the University of Arizona. Truly compassionate and always willing to lend his time to help. Especially during this fast-paced and demanding summer schedule. Nothing but good words on my behalf.	1	16.67%
The instructor is very patient and willing to help at every opportunity.	1	16.67%
The professor always takes us in the first half of the class to review and consolidate the key content of the previous class, which helps us deepen the impression of what we have learned.	1	16.67%

This is the best class I took at the u of a, thank you	1	16.67%
This is the best teach I have had at this University. He made clear the concepts of the class and made learning interesting and fun. I ably have good things to say about my professor in this class. This class has taught me more about economics than any professor I have had at this school. Finding a professor that cares about his students and understands their hardships is hard to find and in this class I found that. Thank you for the awesome semester.	1	16.67%
